

## BEING A DOOR FOR DAW SPONSOR 148-719-NPO

*Closing the DAW of death & Opening the DAW of life, for ALL animals!*

### LET'S NOT ONLY HELP THEM SURVIVE, LET'S HELP THEM THRIVE!

*By being a door for DAW sponsor, you enable us to keep our commitment to every rescued animal, to whom we promise to love, treat medically, care for, uplift, rehabilitate, vaccinate, sterilize, feed and provide a safe haven for, until they get adopted, 24/7, 7 days a week, 365 days a year.*

#### **What will happen to the money sponsored by you?**

Monetary donations brought in by sponsorship will be used for food, vaccines, deworming, sterilizations, and all primary health care and to cater to every animal's special needs or requirements.

**The cost of rescue:** Food = R300 per rescued dog or rescued farm animal, a month.  
Vaccinations = R200 per rescued animal, a month.  
Deworming = R30 per rescued animal, a month.  
Sterilization = R600 per rescued animal, a month.  
Tick and Flea control = R200 per rescued animal, a month.  
Grooming = R180 per rescued animal, a month.

**Therefore, to rescue one dog can cost us R1,510 a month and these costs can rise or fall, depending how long they stay in rescued care at the haven.**

***Remember: ANY amount you sponsor is more than what one of our rescues has now. Every cent counts, when you count every cent.***

#### **What do you get out of it?**

***As an individual*** your commitment and sponsorship literally saves lives by the hundreds. You may not physically be here to do the saving but with your monetary support, you not only help us to help them survive, you help them thrive! For your sponsorship you will receive monthly updates and photos on your rescue of choice.

***As part of your company's Social Responsibility***, being a door for DAW sponsor is a perfect way to support a worthy cause and ensures you have a good standing within the welfare sector, it increases brand awareness, generates new customers, reinforces current customer relationships and creates positive public relations.

Some information regarding DAW sponsoring and what we do:

DAW rescues and rehabilitates hundreds of animals A MONTH. Many have intricate, special needs from day to day and others just need general TLC daily, but all our rescues were forlorn and being in rescued life now, they still need help, support, special care, grooming, and primary health care, love, feeding and healing every month.

Being a door for DAW sponsor for them means we can provide them with a safe place to live, with a warm bed, full tummy, every medical need provided for and general tender, loving, care until they are adopted.

We treat every rescue equally, whether specifically sponsored or not, your kind gift will help all the animals, including the one you specifically choose to sponsor. Only you can help us make an effective difference, to provide only the best, to suit their every need daily. And by sponsoring monthly you can eliminate one or more rescued animal's pain, abuse or neglect.
